

76AD 760

SIVA'S ROCK-HEWN TEMPLE & KAILASH

Buqum AD 760 by Kustina I, as a thank-offering for his victories over several kings in Southern India, the Kailasa at Ellora, Hyderabad, is one of the wonders of the world. It was made by cutting a rectangular trench downward from the top of a cliff & then carving the great central block thus left into a Siva temple complete in all its details.
